

This show is chock full of fun facts and back stories. The host, JJ, is a likable host and has a genuine quality about him. The videos and other scientific and historical media help bring these facts to life. Confirms things you might have learned as a child and broadens your perspective with new and interesting information.

Awesome! Just wanted to express my great pleasure in watching the show, Wow, I Never Knew That. Thank you so much!

Interesting to watch! Short videos that tell the history of all kinds of things like Coke. The videos are well done. It is interesting, fun to watch and educational for all ages. This is time well spent. After watching one of those videos it really does make you say, "Wow, I Never Knew That."

Great show, I hope there are more on the way! This is well done, informative and fun to watch, I can't wait to see the next season, keep up the good work!

Think Modern Marvels meets How It's Made with a little Unwrapped thrown in.

My kids and I have been loving this channel and we shout the catch phrase at each other...Wow, I Never Knew That!

I like it! Very interesting. Good series, interesting facts!

Good learning tool about things around you.

I love this series! I always learn so much. And as a teacher I found they are the perfect little time filler for those times when our lesson finishes early or the daily schedule gets thrown out of whack.

Good show always something unique.

Five Stars! Great, interesting.

Fun facts! Lots of interesting facts! We enjoyed all of them.

Five Stars. Crazy things you just never knew about.

Five Stars. Thank you!

Five Stars. What's not to like? I find it very informative. I actually didn't know how those things came to be, how they are made or how they got their names.

The series looks great! Very educational and well produced.

Wow, I Never Knew That! changes the way you think about objects and behavior that are part of our daily routines. With a little prompting, this can inspire a desire to learn more about the things your family encounters on a regular basis, as well as interest in experimentation and invention.

Wow, I Never Knew That! is an informational series filled with fun facts and origin stories about everyday items, name brands, and phrases. The content is presented in a fast-paced format that doesn't delve too deeply into any one subject, allowing for many intriguing stories in each episode.

This is appealing for all different levels of attention span and makes it fun for families to watch together.

Wow, I Never Knew That! digs into the origins of everyday objects, common phrases, popular games, and traditions. Each episode features anywhere from 15 to 20 subjects, from famous items like a Slinky to conveniences we take for granted, such as the elevator.
